Smith and the Detective.
Milwaukee Sun.
There are detectives and detectives. Samuel G. Smith, of Denver, recently sold some shares of stock belonging to a friend for \$5,000, and the temptation was so great that he lusted. He struck out in the direction of Chicago, where two private detectives overhauled him. Then a private detective from Denver came on, overtook Smith, and told him to go and be an honest man. Smith began to see that it was only a question of time when he would be struck for his last nickel, and he would still have to answer for the \$5,000, and life became burdensome. He therefore caused the arrest of the unfaithful detectives, and now has company in his woe.

STATE FINANCES.

The State Board of Examiners report \$56,476.98 in coin in the State Treasury; \$222,000 in State bonds; \$100,000 in United States bonds and \$350,000 in an irredeemable State bond.

For the benefit of those who may not understand it we will again explain this paradox propounded monthly by our State officers.

The State owes its School Fund \$380,000, represented by the sacred, never-payable, sanctified and ever-increasing, irredeemable bond. The State owes its School Fund \$123,000 under the \$220,000 loan authorized last winter. The State owes the Asylum Fund \$60,000 under the law passed at the last legislative session.

To sum up, the State owes the above sums, together with accrued interest since June 30th, say \$10,000, making a total of \$573,000. We have to pay this sum, our income, and the sum of say \$37,000. The net debt at this date is \$536,000.

The State is running behind and already pays \$2,000 per month interest.

Again we ask our State officers what they propose to do about it?

THE EVIDENCE ALL IN.

From the confused and contradictory nature of the evidence in the shooting case, which is now all in, it is probable that a long and costly lawsuit will be the result, and an already overtaxed people will have to foot the bills. Reno people want a railroad to Oregon very much, but not badly enough to countenance the use of force or fraud by anybody. The unfortunate occurrence has cast a strain upon the town that it will suffer from for a generation.

Lived and Died Together.

On last Wednesday Solomon Purdy, an old and valued citizen, died at his home in Long Valley. On Saturday Jane Hadden Purdy followed her companion to the country beyond the dark river. Mr. Purdy was born near Poughkeepsie, New York, Aug. 14th, 1801, and was the eldest of 13 children. He removed with his parents to Orliskany, Oneida county. On April 24th, 1837, he and Jane Hadden were married. They lived in Buffalo, Aurora and Rome, and moved to Downsville, Cal., in 1863. Oct. 26th, 1895, Mr. Purdy was made a Master Mason in Aurora, New York. He was for many years a faithful member of the Baptist church, but never joined on this coast. In his last moments he implored divine help, having implicit faith in the Savior. He moved to Long Valley in 1862, where he had a fine ranch. He was only sick four days with pleuro-pneumonia. Mrs. Purdy has been an invalid for some years. They leave a family of children, all grown up and in prosperous circumstances. The funeral of Mrs. Purdy will take place from the Congregational church tomorrow at 10 A. M.

HARRISBURG, Pa., October 23. Heley Stewart, a negro aged about 80 years, who at one time was insured for \$125,000, died last night in this city. Last summer Stewart came near dying, and the symptoms of his disease strongly indicated poisoning. His illness was due to drinking whisky adulterated with strychnine. EASTERN.

Cabinet Rumors.

New York, October 24. A Tribune's Washington special has the following points: General Grant has repeatedly said to his friends recently that he will never again be a candidate for the Presidency.

The friends of ex-Governor Morgan say he is likely to accept the Treasury portfolio, but add a qualifying clause, "at least for a time." This is interpreted by gossip as indicating the purpose on the part of Morgan to retire after a few months of service, thus making room for Conkling.

The following statement is made by one in a position to be well informed: The Treasury Department has been tendered to but two persons, Conkling and ex-Governor Morgan. Conkling did not decline in positive terms. The President then tendered a portfolio to Gov. Morgan who after long consideration, definitely declined.

The President then returned to his original and earnest desire and again tendered the Secretaryship of the Treasury to Roscoe Conkling.

Judge Folger it is stated, will probably be nominated to the Supreme Bench early in the ensuing session. The name of Sargent, Senator Spencer, Chauncey L. Filley, and Gen. Lancaster are among coming possibilities.

Tyner's Fight.

WASHINGTON, October 24.

The forthcoming report to President Arthur by General Tyner, first assistant Postmaster-General, elicits much interest here. Judge Tyner, it is said, will claim that he first called attention to the Star Route irregularities, also that his (Tyner's) report, Postmaster-General James obtained his first knowledge of the subject. Judge Tyner to-night declined to see reporters upon the ground that he was very closely engaged. Postmaster-General James was questioned to-night. He said he had no means of knowing what claims or assertions Judge Tyner would make in his statement or whether he would make any statement at all. Until he should have something more tangible than newspaper reports of Judge Tyner's intentions he must decline to talk. Trustworthy persons say James did not obtain his first knowledge of the Star Route irregularities from Judge Tyner's report.

Morgan Confirmed.

WASHINGTON, October 24.

The Senate in Executive session received from the President the nomination of Henry H. Morgan, N. Y., to be Minister to Siberia; John W. Bailey, N. Y., to be Consul to Hamburg. The Senate confirmed Morgan Secretary of the Treasury. Many still think he will only remain in the Cabinet until winter, when Conkling will succeed him, and that this is the programme. Doubtless Morgan declined at first, and was induced to accept, perhaps on these grounds.

Senate Proceedings.

WASHINGTON, October 24.

In the Senate a communication from Secretary Windom, transmitting the Melvine report was tabled, and ordered printed. Edmunds on behalf of the Judiciary committee, was doubtful if the law warranted the method pursued since the death of Burgh, Secretary of the Senate, in disbursing monies for its expenses. He then moved to appoint Chief Clerk Shaber acting Secretary—Adopted.

Gorham and Riddleberger.

WASHINGTON, October 24.

Is the Republicans next winter can see their way clear to getting rid of Gorham and Riddleberger they will probably undertake to elect the Secretary, but there does not now seem to be any prospect of getting rid of this difficulty. At present Mahone firmly insists on sticking to these nominations.

Arthur's Movements.

WASHINGTON, October 24.

President Arthur left the house of Senator Jones before nine o'clock this morning, and was driven directly to the residence of General Beale. Gen. Grant entered the carriage at this point, and was driven in company with the President to the Baltimore and Potomac depot, where the former accompanied by his wife, took the limited express for N. Y.

WESTERN.

San Francisco, October 23.

Barth's brewery was destroyed by fire this morning. Loss \$13,000; insured for \$5,000 in Western Phoenix and British America companies. Cause unknown. A small house adjoining, valued at \$700, insured for \$350, was also burned.

The Debris Question.

NEVADA CITY, Cal., October 24.

The Debris Committee, after viewing the work of the miners, conclude that immediate action is necessary to secure the safety of Marysville and the valley, but find the mining interests so great that no action should be taken to jeopardize it. They urge both sides to keep out of the courts and politics and attempt a compromise. Representatives of farmers who accompanied the committee seem to have somewhat modified their extreme views after what they have seen, and promise that the farmers would meet the miners half way in joint action or compromise measures.

San Francisco News.

SAN FRANCISCO, October 24.

The engine house of the San Francisco Cable Works, Eighth street, between Bryant and Harrison, and the store house of Mattheis Coal Company, adjoining, burned last night. Loss, about \$25,000.

Fritz Stein, on the staff of the German Democrat, is missing. He leaves letters which indicated his intention to commit suicide.

FOREIGN.

Irish Affairs.

DUBLIN, October 23.

Despite the government's proclamation there was a large gathering to-day near Concheur, the President presiding. The "No-Rent" resolution was passed. The Land League had a secret meeting on Saturday while the soldiers occupied the league rooms. The meeting determined to pursue the agitation.

DUBLIN, October 24.

Since the proclamation against the league, accounts from various parts of the country have been satisfactory. There has been no disturbance of business and the people are much relieved.

As the Journalists of the East lay way over their brethren in this section of the country. Speaking of a recent visit to Utica by Senator Jones, one of these intellectual beacons said: "The next morning Ellis H. Roberts announced in the Journalist the metastatic abscess which he supplies with editorial pus, known as the Utica Herald, that Mr. Conkling did not deny that this man remained in his house over night." As Mr. White-law Reid would say: "This is really too dreadfully dreadful."

Slaves' Effervescence California Fruit Salt
Is prepared from sound, ripe fruit, by an experienced analytical chemist, who has spent years in experimenting on its preparation. It is manufactured by a special process known only to the proprietor. This preparation is a safe, simple and effective medicine for regulating the action of the stomach, liver and kidneys. It is most particularly recommended for Dyspepsia, Indigestion, Headache, Heartburn, Acidity of the Stomach, Habitual Constipation, Nausea, Sea Sickness, Kidney and Liver Troubles, Over-indulgence either in eating or drinking, etc. As a purifier of the blood in all Scrofulous Diseases, it has no equal. It removes all eruptions from the skin and has a cooling and invigorating effect on the system. The FRUIT SALT is entirely different from any of the effervescent Salts or Soda preparations in the market, being manufactured from Fruit. For sale by all druggists.

How to Secure Health.
It is strange any one will suffer from derangement brought on by impure blood, when the remedy is so simple and so sure. SPINNEY'S BLOOD PURIFIER will secure health to the physical organism, and to the mind, and the BEST BLOOD PURIFIER ever discovered, curing Scrofula, Syphilis, Eczema, and all the skin diseases, Debility, Bilious complaints and diseases of the Blood, Liver, Kidneys, Stomach, etc. BAKER'S PAIN EXPELLER cures pain in Man and Beast.
